## **AFTERNOON ACTIVITIES**

The First Term 2012 is upon us—WELCOME! A NEW ADVENTURE FOR Form 1's. It is very important that each girl participates as much as possible in the full life of the school and not just the academic aspects. Please remember that all students must sign up for at least one cultural activity and one sporting activity.

### **FORM 1'S—CRACKING THE CODE OF L.I.F.E.**

Young people today are faced with a world that is moving increasingly faster and changing more rapidly than any generation in the past. There is a growing need for people to have a solid framework or set of principles to help navigate all this and do it well. Over the year the course will cover topics including building strong relationships, juggling busy lives at school and home, and still have fun communicating well with others, etiquette, study skills and ultimately learning how to live your life on purpose and to live it well, no matter your circumstances or what you find yourself doing. It promises to be an unforgettable course!

### **EXTRA LESSONS**

Teachers Are available to assist on request. Extra lessons are scheduled between 2:00 and 3:00pm see page 15 of programme.

### **CAREER GUIDANCE**

Mrs B. Dube will be available for consultation—F6 , Tuesday 3:00-4:00pm

### **YOUNG LEADERS SOCIETY**

This is an interesting club designed to cultivate the essential leadership qualities in young ladies. It serves to promote innovative thinking and build up confidence required to be a future leader. Open to all age groups, it allows for the exchange of ideas and perspective. The club's main emphasis is the "Leaders are Created" and this will be developed by the analysis of leaders of the past and present—equipping today's young ladies with the characteristics to embrace tomorrow.

### **RUNNING CLUB**

This club is only for serious runners who are capable of running 3Km.

### **BALLROOM DANCING**

Fees to be paid at the first lesson of the 1st Term. Term Fees are US\$ 60 / R 450.

### **COMPUTERS**

A Computer room will be open on Mondays, Tuesdays Wednesdays and Thursdays from 2:00-4:00pm. This is to enable girls who need extra time to complete their ICDL within the time limit, to do so, and also enable girls taking up Word Processing and other computer applications to practise and do their assignments. It is the girl's own responsibility to make use of this facility if they so need. Internet is not available at these times.

Girls should **remember the main afternoon programme takes precedence.**

### **EXCUSE NOTES—"VERY IMPORTANT"**

Girls are reminded that once a commitment has been made, regular attendance is expected and that non-attendance, for whatever reason, should be followed up with an excuse note of the **EXCUSE NOTE FORMS WHICH ARE AVAILABLE FROM THE FRONT OFFICE—ONE PER ACTIVITY MISSED.**

Excuse notes should be handed in to the Sports department on the day following the activity missed, or, if a girl has been absent from school, by Friday break time. The note must be signed by the parent or San sister in the case of boarders. Excuse notes for Prep should also be handed to the Sports department.

***Girls may NOT write their own excuse notes.***

Parents, please do not phone staff in the front office to excuse your daughter from afternoon activities, except when they have a commitment, such as a sports fixture which they are unable to fulfil. Office staff will accept calls to notify the school that your daughter is ill and will be absent from school, but the call must be followed with an excuse note, and a Doctors note, where appropriate.

### **FORM 1 CLUBS**

The Form 1's will be divided into six groups, which will rotate throughout the year so that each girl will have the opportunity to participate in a variety of clubs. These will include Cake icing, Flower Arranging, First Aid, Chess, Marimba's and a Dance Class.
